

ALWAYS ON  
THE GO ...  
AND ALWAYS  
**HAVE  
TO GO?**

Talking about incontinence is taboo, but not for the experts at Avera Home Medical Equipment.

Loss of bladder control? We'll help you find the right products that fit your lifestyle as well as your budget — oftentimes at the same or at a better price found in supermarkets or big box stores. **Bonus: we can deliver products discreetly to your doorstep.**

So come in. Have a conversation with us that can improve your quality of life.

\*Products can be purchased with a flex spending account.
